

STUDENT REPRESENTATIVE TO THE SCHOOL BOARD

The opinions and concerns of the students in Westmoreland County school division are important to the Westmoreland County School Board. Therefore, the School Board may select a student representative. If the School Board exercises the option to select a student representative, the following applies:

The principal of each high school nominates two students from the school to serve as the student representative to the School Board. From these nominations, the Superintendent selects the student representative subject to final approval by the School Board. The student representative serves a one year term.

The student representative serves in an advisory capacity and does not vote. The student representative does not attend closed meetings. The school division provides the meeting agenda and other public materials to the student representative in advance of each open meeting. The student representative does not have access to confidential information, including student or personnel records. The student representative is expected to attend all regular, open meetings and complete assignments for research and data collection when requested by the School Board.
