

ADULT EDUCATION

Adult education programs are offered to those residents of the school division over the age of compulsory school attendance who are not enrolled in the regular public school program and who are functioning below the high school completion level. The School Board seeks to ensure that every adult participating in such a program has the opportunity to earn a high school diploma or pass a high school equivalency examination approved by the Board of Education. Such programs may be conducted solely by the School Board or through a collaborative arrangement between the School Board and other school boards or agencies. Additional educational programs for adults also may be offered. Tuition and fees are established by the School Board.
