RELATIONS WITH LAW ENFORCEMENT AUTHORITIES

Investigations by Law Enforcement Officers at School

When it becomes necessary for any law enforcement officer to interrogate a student on school premises, the principal is contacted immediately. The principal or principal's designee makes a reasonable effort to contact the parent or guardian and have the parent or guardian in attendance for the conference. If the parent or guardian cannot be present for the conference, then the principal or principal's designee is present throughout the interrogation.

Service of Process at School

Should there be a need to serve a student or school employee with any "legal process", the School Board encourages the process server to make all reasonable attempts to serve such documents off school premises; however, if the documents must be served on school premises, they should be served at the principal's office of the school which the student attends or the main office of the facility at which the employee is assigned.

In any case in which custody or visitation of a minor child is at issue and a summons is issued for the attendance and testimony of a teacher or other school employee who is not a party to the proceeding, if such summons is served on school property, it may be served only by a sheriff or his deputy.

Development of Programs

The superintendent seeks to develop, in cooperation with the local law-enforcement agencies, juvenile and domestic relations court judges and personnel, parents, and the community at large, programs and procedures to prevent violence and crime on school property and at school-sponsored events. The superintendent obtains and uses Sex Offender Registry information in accordance with Policy KN Sex Offender Registry Notification.

Report to Law Enforcement Officials

Except as may otherwise be required by federal law, regulation or jurisprudence, the principal immediately reports to local law-enforcement officials all incidents listed below that may constitute a criminal offense:
